

GLOBAL BIOBASED BUSINESS COMPETITION - G-BiB
€10,000 Award for a business plan based on your research

Dear colleagues,

The next edition of the Brazilian Bioenergy Science and Technology Conference (BBEST 2017) will host the G-BiB entrepreneurship & innovation competition.

On behalf of the BBEST 2017 organizing committee, we are pleased to invite you to join our Conference and to encourage your students, associates and colleagues to enter the G-BiB competition.

Your project can be awarded up to €10,000!

Why to participate: *Transform your ideas and research into novel products/processes! Gain recognition to your research, do more job and research networking and create novel business opportunities. Change your path, do more for your society, build a sustainable future!*

How to participate: *Register your team today, free of charge online at www.be-basic.org/g-bib.*

Registration is very easy! A full business plan is not needed for registration. Just fill the information requested in the online form.

After registration, you will have time to design your full business plan.

A masterclass and coaching will be offered by the G-BiB competition to help you during your preparation.

Each team must have at least two students (Ph.D or MS), enrolled in a graduate program at the time of the Competition, supported by a mentor and a project title at this moment.

There is no restriction about scientific topic or field of research.

Hurry up!

Deadline for registration of Brazilian teams is January 31st, 2017!
